

# Reiki I, II & Master Level Classes

Instructor:

**Victoria Rush Haren**

*Certified Reiki Master/Teacher*

Reiki is an ancient Japanese form of energy healing. In Level I, you will learn how to work with the Reiki energy, review basic hand placements for treatments of self and others. Reiki II offers the understanding of the Chakra System and instructs you on how to utilize three very powerful ancient symbols. In the Master Level training you will learn two additional Master Symbols, instructions on using stones and crystals during a session, use of Reiki with Reflexology, and how to connect intuitively with your clients. A Reiki certificate will be awarded at the end of Reiki I & II. The Master Certificate will be awarded after all prerequisites are met.
